Education

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES

Bachelor of Science in Computer Engineering – 2nd Year Student | GPA: 1.38

Manila, PH
2024 – Present

- Academic Honors: Consistent President's Lister since First Year of college
- Relevant Coursework: Programming Logic and Design, Object-Oriented Programming, Engineering Data Analysis, Data Structures and Algorithms, Computer Hardware Fundamentals, Fundamentals of Electric/Electronic Circuits

PASIG CITY SCIENCE HIGH SCHOOL

Senior High School | Science, Technology, Engineering, and Mathematics (STEM) | GWA: 93% – With Honors

Pasig City, PH
2022 – 2024

- Relevant Coursework: Media, Information, and Literacy

PASIG CITY SCIENCE HIGH SCHOOL

Junior High School | GWA: 94% – With Honors

Pasig City, PH
2018 – 2022

- Relevant Coursework: Web Design, Basic Programming and Electronics

Technical Skills & Projects

QUIZ MASTER: Terminal-based Quiz Creator with File Handling | Python (OOP) | Personal Project

- Developed a terminal-based quiz application with supported full create, edit, and play functionalities using an integrated text-file storage.
- Applied Object-Oriented Programming principles for a scalable and maintainable system.

AlgoCraft: Data Structures & Algorithms Application Suite | Python (OOP), Tkinter | Group Project

- Led a four (4) member group in the development of interactive simulations and real-time visualizations for different Data Structures and Algorithms.
- Built the binary tree and binary search tree modules, with functionalities while applying GUI development concepts and OOP principles.

Virtual Keyboard| Python, MediaPipe, OpenCV | Personal Project

- Built a real-time gesture-controlled virtual keyboard using computer vision.
- Refactored original source code to add features, improve performance, and achieve a more accurate interaction output.

Leadership & Activities

AWS Cloud Club PUP

Member | Department of Cloud Computing and Infrastructure

Manila, PH
Present

- DataCamp scholarship granted through AWS Cloud Club partnerships
- Participated in webinars about Git/Github for collaboration, UI/UX basics in Figma, and AWS Cloud fundamentals with account creation

AWS User Group e:Novators Philippines

Member | External Relations Office

Manila, PH
June 2026 – Present

- Participated in community events.

ICPEP-SE PUP Manila

Member

Manila, PH
Present

- Participated in workshops featuring breadboarding and circuit analysis fundamentals

Google Developer Groups on Campus PUP

Member | Web Development Department

Manila, PH
Present

- Participated in webinars about UI/UX Design and Web Development

Sentral na Konseho ng Mga Mag-aaral PUP (SKM)

Secretariat Committee Member | Organizing Committee Volunteer

Manila, PH
2024

- Supported secretariat operations through meeting documentations, MoM preparations, and formal letter drafting
- Developed strong attention to detail, communications, and administrative support skills through organizational tasks

PLUMA Filipino Club

Committee Head | Komite ng Social Media

Pasig City, PH
2023 – 2024

- Curated captions for the club's publication materials.
- Helped in formulating themes for posts that are according to trends by observing current pop culture trends and audience analytics.
- Handled official social media accounts of the club in Facebook and Instagram

PLUMA Filipino Club

Member | Komite ng Tagawasto ng Akda

Pasig City, PH
2022 – 2023

- Assigned with proofreading publication materials before posting.

YES-O Clubs

Member | Social Media Committee

Pasig City, PH
2018 – 2022

- Organized and curated captions for publication materials.
- Handled official social media accounts of the club in Facebook and X (formerly Twitter)

Additional Courses

Level 1 Computer Course at Barangay Computer Education (B.C.E)Pasig City, PH
2016 – 2017

- Studied basic computer functions and Microsoft Apps (Word, Excel, Powerpoint, and Publish)

Level 2 Computer Course at Barangay Computer Education (B.C.E)Pasig City, PH
2016 – 2017

- Studied Adobe Photoshop and basic editing for pictures and videos

Skills & Abilities

- **Programming & Technical Skills:** Python, SQL (Basic), R (Basic), HTML (Basic), Object-Oriented Programming, Data Structures & Algorithms
- **Tools & Platforms:** Git/Github, VS Code, Microsoft Office (Word, Excel, Powerpoint), Canva, AutoCad (2D), Tkinter
- **Soft Skills:** Communication, Adaptability, Problem-solving, Collaboration, Self-driven learning, Task-oriented
- **Interests:** Partnerships, Programming, Data Engineering, Web & Software Development, AI, Project Development
